

I Surrender

By: Kim Walker and Justin Byrne 74BPM

**C**                    **Gsus**                    **Am**                    **G**  
There is no love, sweeter than the love you pour on me  
**C**                    **Gsus**                    **Am**                    **G**  
There is no song, sweeter than the song you sing to me  
**C**                    **Gsus**                    **Am**                    **G**  
There is no place, that I would rather be  
**C**                    **Gsus**                    **Am**                    **G**  
Than here at your feet, laying down everything

Chorus:

**Am**                    **Gsus**  
All to you, I surrender  
                  **C/E**                    **F**  
Everything, every part of me  
                  **Am**                    **Gsus**  
All to you, I surrender  
                  **C/E**                    **F**                    **(HOLD F BACK TO VERSE)**  
All of my dreams, all of me

**Am**                    **G**                    **F**                    **F**                    **(REPEAT)**  
I surrender

Verse 2:

If worship is like perfume, I'll pour mine out on you  
For there is none as deserving of my love like you  
So take my hand and draw me into you  
I want to be swept away, lost in love for you

Bridge:

**F**                    **G**  
No turning back, I've made up my mind  
**F**                    **G**                    **C/E**                    **(REPEAT)**  
I'm giving all of my life this time

**F**                    **G**  
Your love makes it worth it  
                  **F/A**  
Your love makes it worth it all  
                  **C/E**  
Your love makes it worth it all
